

# Firm Serves as Bond Counsel for City of Cleveland in Water Revenue Bonds

Our Public & Infrastructure Finance Practice served as bond counsel to the City of Cleveland, Ohio, in connection with the city's issuance of US\$97,160,000 Water Revenue Bonds, Series DD, 2019, which were used to refund two series of fixed rate bonds and two series of variable rate bonds. As bond counsel for this issue, we also advised the city with respect to the termination of four swap agreements related to the city's Water Revenue Bonds. The City of Cleveland Waterworks System operates as a regional water service utility providing water to city residents, as well as 79 communities in the surrounding suburbs.

The firm team was led by [Catie Romanchek](#), [Wes Kerns](#), [Mike Cullers](#), [Jeremy Ladyman](#) and [Wade Estey](#).
